#### 4. Format of Play

4.1 The contest between two opposing teams shall be known as a **tie** and each tie shall be decided by the results of five matches.

- A **match** consists of the best of 3 games of 11 points during the round-robin group phase.
- A **match** consists of the best of 5 games of 11 points during the knockout phase.

4.2 Each tie shall consist of five matches and the order of play shall be as follows:

- a) Men's Singles;
- b) Mixed Doubles;
- c) Men's Doubles Masters;
- d) Women's Singles; and
- e) Men's Doubles.

4.3 Participants for the Men's Doubles Masters must be 50 years old and above as at 31 December 2019 to participate in the tournament.

- 4.4 Female participants are allowed to compete in Women's Singles or Mixed Doubles only.
- 4.5 There shall be no repetition of players for each match.
- 4.6 The results of each tie shall be based on the best of five matches. Once a team has won three matches, that team shall be declared the winner. However, the remaining matches will still have to be played and the results will be recorded for purpose of the eventual ranking of teams in a round-robin group.
- 4.7 Matches shall be played based on the rally point system. Once a player or a pair has won two games during the round-robin group phase (or three games during the knockout phase), their team shall be declared the winner and the match shall end decided. If a final deciding game is necessary, the change of ends will occur when a side first scores 6 points.
- 4.8 In the event of the score reaching 10-10 in a game, the game shall be won by the side which gets a lead of 2 points, or when the score subsequently reaches 14-14, the game shall then be won by the side which reaches 15 points first.
- 4.9 In the event of availability of courts during the tie, the presiding Tournament Official reserves the right to play the matches simultaneously, in the order of play at the available courts.

## **5. Walkover and Ranking of Teams in Round-Robin Group**

- 5.1 Teams shall automatically concede a **TIE** walkover if they fail to register and be present at the scheduled time of play, or if they do not have enough registered participants to play three out of five matches. The result of the tie shall be considered to be 5-0 in favour of the opponents.
- 5.2 Participant(s) shall concede a **MATCH** walkover if they fail to be present on court within five minutes of the time the match is called to play.
- 5.3 A participant or pair who fails to complete a match shall be deemed as **RETIRED** from the match. The opposing player or pair shall be awarded the required match points or games to win the match.

- 5.4 In a round-robin group, teams of the group shall gain 2 group ranking points for a win, 1 for a loss in a played tie and 0 for a tie lost by conceding a walkover; the ranking order shall be determined primarily by the number of group ranking points gained. If a team is defaulted after the completion of a tie for any reason, it shall be deemed to have lost the tie, which shall subsequently be recorded as a tie lost by conceding a walkover.
- 5.5 If two or more teams of the group have gained the same number of group ranking points their ranking shall be determined only by the results of the **head-to-head** ties between them, by considering successively:
- the numbers of **group ranking points**,
  - then the **differences between wins and losses** first in **ties**,
  - then **matches**,
  - then **games**
  - and then **points**,
- as far as is necessary to resolve the order, with greater difference ranked higher. If at any point, the results of the head-to-head ties among the involved teams still leave two teams equal, the winner of the tie between them will be ranked higher.
- 5.6 If Rule 5.5 still leaves three or more teams equal, ranking order will be established by the drawing of lots.
